

Dalian Neusoft University of Information  
2020 International Students Prospectus

Chinese Language Programs

## About the School of International Education

The School of International Education (SIE) at Dalian Neusoft University of Information is responsible for planning and implementing university's international engagement. SIE offers degree and non-degree education for overseas students and study-abroad opportunities for Chinese students at DNUI. Currently, international students mainly come from Russia, Japan, South Korea, Thailand and the USA. SIE offers minor undergraduate programs in Chinese Language for any international students who enrolled in a DNUI bachelor's program.

We also provide foundation Chinese language courses for students planning to study degree courses taught in Chinese, long-term/short-term Language & Culture programs, staff training, and etc. In 2012, DNUI became the first HSK online test center in Dalian authorized by Hanban (National Chinese Language Office).

## Reasons to choose the language programs in DNUI.

- 1 HSK online test center
- 2 Focus on developing the verbal communicative competence
- 3 Focus on students' needs
- 4 Focus on the combination with theory and practice
- 5 Multi-level class: zero-based class, junior class, intermediate class and advanced class
- 6 Rich language practice activities
- 7 Rich culture experience activities
- 8 Have opportunities for enterprise practices
- 9 Have opportunities for employment recommendation
- 10 Multi-type class: general intensive class, accelerated intensive class, short-term intensive class, company staff class and special intensive class.
